

PA271 &
PA272B

Clevises, Thimble

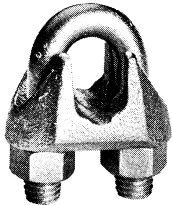

Hot Dip Galvanized

Catalog No.	Dimensions (Inches)					Thimble Diameter	Minimum Ultimate Strength	Weight (Lbs. Per 100 Pcs.)
	A	B	C	D	E			
PA271	2-7/8	4-1/2	1-1/2	11/16	7/8	2-1/4	20,000	175
PA272B	4	5-7/8	1-3/4	13/16	1	2-1/2	36,000	337

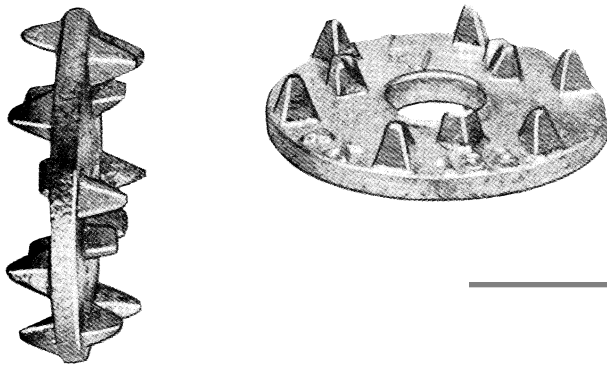

Clips, Guy, Malleable

Hot Dip Galvanized

A strong economical means of securing down guys and wire ropes. The steel U-bolt and malleable iron base are both hot dip galvanized.

Catalog No.	Strand Size (Inches)	Weight (Per 100 Lbs.)
J1048	1/4	14
J1049	5/16	19
J1050	3/8	30
J1051	1/2	48
J1052	5/8	60
J1053	3/4	83

Connectors, Cast, Timber Grid

Hot Dip Galvanized

Timber connectors resist slotting of the bolt hole in the transfer of loads and connection of two wood members. The integral teeth penetrate into the wood to assist in distributing the load over a larger wood surface area than the bolt hole only.

Catalog No.	Dimensions (Inches)		Approximate Weight (Lbs. Per 100 Pcs.)
