HIGH-DENSITY POLYETHYLENE PETRODUCT

Smooth Wall HDPE

High Density Polyethylene Duct from PNA has been tested and proven under the most severe conditions. From extreme temperatures to abrasive and high tension applications in underground installations. HDPE from PNA provides quality service and economy in a wide range of uses. As a smooth and flexible duct for cable, HDPE is unequalled for ease of installation and continuous strength.

Sizes Available

13mm 1/2" 3/4" 1" 1-1/8" 1-1/4" 1-1/2" 2" 2-1/2" 3" 4" 5" 6"

Ribbed HDPE

For specialized installation of underground cable, including fiber optics, Petro-Rib™ duct provides superior friction reduction and flexibility. Manufactured from quality High Density Polyethylene resin, Petro-Rib™ offers maximum strength and adaptability on long pulls with numerous turns and elevation changes. PetroRib™ also affords superior pulling ease and lubrication effectiveness when installed with ProPull™ [Lube](#).

[RUS Acceptance Letter](#)

Colors Available

Blue, Orange, Black, Green, Gray, Red, Yellow, White, Terra Cotta.

Corrugated HDPE

For specialized installation of underground cable, PetroDuct™ Corrugated Duct provides excellent friction reduction and superior flexibility. Manufactured from quality High Density Polyethylene, PetroDuct™ Corrugated Duct offers maximum flexibility in tight turns combined with light weight and superior economy. Corrugated PetroDuct™ affords maximum pulling ease and lubrication effectiveness when installed with ProPull™ [Lube](#).

[RUS Acceptance Letter](#)

Sizes Available

1", 1-1/4", 1-1/2", 2"

Plenum-Rated PVDF

PNA now offers UL LISTED 1", 1-1/4", 1-1/2", and 2" corrugated raceways made from Polyvinylidene Fluoride (PVDF), which meet or exceed all UL tests for PLENUM RATED installations.

Sizes Available

1", 1-1/4", 1-1/2", 2"

[RUS Acceptance Letter](#)

Fire-Retardant HDPE

PNA offers HDPE Fire Retardant Conduit in 1" and 1-1/4" sizes suitable for Riser applications.

Sizes Available

1", 1-1/4", 1-1/2", 2"

[RUS Acceptance Letter](#)

Manufactured to ASTM D2447, ASTM D3035, ASTM D3485, ASTM D2239 and NEMA TC7 Specifications.

Standard colors include [black](#), [gray](#), [red](#), [white](#), [blue](#), [yellow](#), [green](#), [orange](#) and [terra cotta](#). Custom colors available on request. Other options include embedded stripes, sequential marking and [Cable-In-Conduit](#).
