

# PRO-MARK®

Model 303

**PRO-MARK**<sup>®</sup>  
**UTILITY SUPPLY INC.**

*CABLE & PIPELINE MARKERS*

The **PM-303** Dome Marker is molded from specially formulated plastics with UV inhibitors. The materials are resistant to solvents and stress cracking. Its 360° cylinder shape and height insures that the Marker can be seen from all angles on the ground and by air patrols. The **PM-303** Dome Marker can withstand a shotgun blast from 50 feet and a vehicle impact of 45 mph. Custom graphics are molded on and etched into the Marker with the Pro-Mark graphic system that is guaranteed not to fade, peel or chip. Markers are also available with a (**PM-TS3**) Test Station and/or Vent. All Markers come complete with anchor bar. Custom colors, lengths and other special requirements are available by request.

**STANDARD COLORS**

ORANGE	YELLOW
RED	WHITE
BLUE	BLACK

**STANDARD SIZES**

3.5" X 6'
3.5" X 8'
